The board discussed the drainage issue on the property of Mrs. Carolyn Rebek at 3318 SW Friar Road, which she attended last month's meeting to address. Kevin presented a plat for the property development and stated that it was an unfortunate situation from an improperly developed lot. After further discussion and the understanding that the drainage issue was further complicated by a 100-year flood, it was decided that Kevin Holland would send her a letter explaining where the board stands.

**New Business:**

Rick Nesbitt asked if Shawnee County would be coming in to clean up the entrance at 33<sup>rd</sup> and Indian Hills.

Mission Township is going to stripe 41<sup>st</sup> Street.

Commissioner Mays is meeting with Kevin on Thursday of this week to talk about the walking trail.

Having no further business, Doug Mays moved the meeting be adjourned.
